Xiamen Hifa stonexp Co.,Ltd

established in 2006, is a professional manufacturer and exporter that focus on the development and production of military, tactical, and outdoors products..

established to supply the growing demand of orders, especially from European and U.S. companies.

Now with over 2000 employees, 105 production lines and 16 years experience, we have all kinds of advanced machines and raw materials available for different custom requirements. About 90% of our sales currently come from ODM&OEM orders.

HIFA continues to introduce innovative products and services specific to our Government, Military and Law Enforcement customers. We believe these technologies reflect our continued commitment to answering operational needs as expressed throughout our community.

"Quality First and Customer First" is our business philosophy. After many years of efforts and development, HIFA brand has gained a global sales network throughout the Middle East, Europe, and United States of America. We sincerely look forward to your visit and cooperation!

HIFA Precision's Sewing Department has over 10 years of tactical application sewing experience. We offer complete services from design and engineering to cutting, prototyping, and the final sewn production of goods.
